Mechanical pressure switch with manometer
Instructions manual

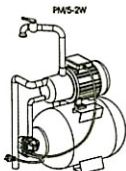

Presostat mecanic cu manometru
Manual de instructiuni

Mechanikus nyomáskapcsoló manométerrel
Felhasználói útmutató

BAR-PMW114

(EN) Adjustment

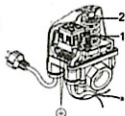

(RO) Reglare

(HU) Beállítás

- (EN) Turn up completely differential nut (1)
Adjust range nut (2) to wished cut-in pressure (pump start)
Turn down differential nut (1) up to wished cut-out pressure

- (RO) Desfaceti complet piulita (1)
Reglati presiunea de pornire dorita cu ajutorul piulitei (2)
Reglati presiunea de oprire dorita strangand piulita (1)

- (HU) Teljesen csavarja fel az anyát (1)
Állítsa be a kívánt indítási nyomást az anyával (2) (szivattyú indítása)
Forgassa le a differenciálanyát (1) a kívánt kioldási nyomásig

(EN) Technical data

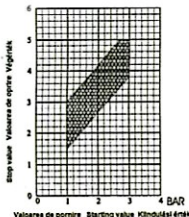

Pressure range	1-5 Bar
Factory setting	1.4 - 2.5 Bar
Rated current	16 A
Rated voltage	220V

(RO) Date tehnice

Interval reglare	1-5 Bar
Reglare din fabrica	1.4 - 2.5 Bar
Current nominal	16 A
Tensiune nominala	220V

(HU) Műszaki adatok

Nyomástartomány	1-5 Bar
Gyári beállítás	1.4 - 2.5 Bar
Névleges áram	16 A
Névleges feszültség	220V

(EN)

Declaration of conformity

We hereby declare that the herunder specified products: control unit (water pressure switch), type: BAR-PM14F; BAR-PM14M; BAR-PMW114 are in conformity with and meet the technical requirements of the standard EN 60730-1:2000+A1+A2+A12+A13+A14+A16, EN 60730-2-6:2008.

This is proven by the Certificate of Conformity (Low Voltage Directive 2006/95/EU) issued by Tuv Rheinland LGA Products GmbH, no AN 502676870001, certificate ZC10-YQ-147000320006 and the Technical Construction File no. 14700032006. The lifespan of the product is 4 years.

(RO)

DECLARAȚIE DE CONFORMITATE

În conformitate cu prevederile legale, declarăm că pentru produsul presostat mecanic, tip: BAR-PM14F; BAR-PM14M; BAR-PMW114 au fost efectuate verificări de calitate de către Tuv Rheinland LGA Products GmbH conform standardelor EN 60730-1:2000+A1+A2+A12+A13+A14+A16, EN 60730-2-6:2008.

În urma verificărilor s-a constatat faptul că produsul îndeplinește parametrii de calitate specificați în documentația tehnică emisă ulterior de către organismul de verificare menționat mai sus, respectiv Certificat de conformitate Directiva Joasă Tensiune (Directiva 2006/95/EC) nr. AN 502676870001/23.01.2014, certificat ZC10-YQ-147000320006 și raportul de încercări aferent nr. 14700032006. Precizăm că durata medie de viață a acestui produs este de 4 ani.

Megfelelőségi Nyilatkozat

Kijelentjük, hogy az alábbiakban meghatározott termékek: vezérlőegység (víznyomás-kapcsoló), típus: BAR-PM14F; A BAR-PM14M; BAR-PMW114 megfelel az EN 60730-1: 200 + A1 + A2 + A12 + A13 + A14 + A16, EN 60730-2-6: 2008 szabvány műszaki követelményeinek.

Ezt bizonyítja a Tuv Rheinland LGA Products GmbH által kiadott megfelelőségi tanúsítvány (2006/95 / EU alacsony feszültségről szóló irányelv), AN 502676870001 száma, ZC10-YQ-147000320006 tanúsítvány és a Műszaki Építési Nyilvántartás száma. 14700032006. A termék élettartama 4 év.
